### Hospital

Gold Coast Hospital  
Gold Coast HSD  
108 Nerang Street  
SOUTHPORT Qld 4215

### Hospital Information

The Gold Coast Health Service District is responsible for the delivery of the public health service covering the Gold Coast region, Queensland, Australia. The Gold Coast Hospital is a modern teaching hospital of the University of Queensland, the primary teaching hospital of the new Griffith University Medical School and Bond University. The Gold Coast Hospital services a population of almost 500,000 and up to twice as many people during peak holiday times. This makes the Gold Coast Hospital the third largest Hospital in Queensland, with the second busiest Emergency Department in Queensland. The Hospital also has the second busiest Intensive Care Unit, third busiest Maternity Unit (and highest throughput per bed) and the third largest Medical Department. In 1998 the Hospital received three year Accreditation from the Australian Council of Health Care Standards, earning recognition for its excellence in health care.

### Pharmacy Department

#### Department Head

Ms Liz Coombes  
Director of Pharmacy

#### Department Information

The Pharmacy Department operates three dispensaries – our main department is located at Southport servicing 540 beds; we have a dispensary at the Robina campus servicing 150 beds and we have a Methadone/Buprenorphine dosing centre at Miami.

Gold Coast Hospital Pharmacy Department employs 35 staff, with 18 FTE pharmacists, 10 Dispensary assistants, as well as purchasing, administration and stores support.

Our department's activities are prioritised on Continuum of Care activities. To do this, we have structured our clinical services around prioritising admission history taking, developing medication plans and communicating with primary carers at discharge. All pharmacists participate, through all ward areas:

- Medical Admissions Unit
- Cardiology, Coronary Care and Cardiac Catheter laboratory
- Acute Aged Medicine
- Renal Inpatients, Haemodialysis and Peritoneal dialysis
- Haematology, Oncology and Palliative Inpatients
- Oncology Day unit
- Vascular and neurosurgery
- Orthopaedics
- Urology and Gynaecology
- Infectious Diseases
- Respiratory
- Paediatrics
- Maternity, Special Care Nursery
- Intensive Care Unit
- Mental Health Units
- Rehabilitation

In addition to servicing our inpatient and outpatient clients, Pharmacists are very actively involved in the support of university students. We are affiliated with the Griffith University Pharmacy School, and provide placements to students from the University of Queensland, James Cook and Charles Sturt universities.

Continuing education of pharmacists is supported through conference attendance, the establishment of local PSA/SHPA continuing education sessions and in-house training.
