SHPA Queensland Job Register Number: 243

Position available Now

Hospital

Nambour General Hospital
Sunshine Coast – Wide Bay HSD
Hospital Road
NAMBOUR Qld 4560

Hospital Information

- The Sunshine Coast Health Service District provides high quality health care to one of the fastest growing regions in Australia.
- Keeping pace with the demands placed on local facilities, the Health Service District delivers public health services across the Coast from Caloundra, Maleny and Nambour General Hospitals and through community health centres, dental health and mental health services. By July 2007 the district is expected to include the current Gympie HSD
- Service delivery has an integrated District and Area Health Service focus which is led by clinicians using evidence-based practice.
- This is a district appointment. Work will be undertaken at all sites.

Pharmacy Department

Department Head

Ms Diana Kateley
Director of Pharmacy Services

Department Information

- Pharmacy departments are located at Nambour General Hospital and Caloundra Health Service (and will include Gympie from July 2007) providing a comprehensive patient focussed pharmacy service.
 - This includes a clinical advisory service, continuity of medication management, and professional supply and dispensing services including aseptic cytotoxic reconstitution support for the Oncology Unit.
 - Specialities include, general medicine and surgery, cardiology, oncology, renal medicine, mental health, infectious diseases and paediatrics.
-

- The Department is committed to safe medication practice and the ongoing implementation of the Australian Pharmaceutical Advisory Committee (APAC) guidelines as a foundation for ongoing quality improvement and service development.

ADOs: Yes for full time

Temporary position for periods of leave relief over the next 12 months, based at Nambour but on occasion, District wide

The role description for this position is currently under review as part of the implementation of the Health Practitioners (Queensland Health) Certified Agreement (No 1) 2007. As a result of the review of the role description, there may be a change to the classification level of this position. Please direct any questions about the review of the role description to the contact officer for the position.

Positions requiring 4 year degrees or 2 year Masters or equivalent will commence at the second increment level

Purpose of role

- To provide good quality general level clinical pharmacist services as part of the Sunshine Coast and Cooloola Health Service District's Pharmacy Service team and to participate, if requested, in the provision of services in Clinical Service Networks (CSNs) in the Central Zone of Queensland Health.
- To participate in the development of this service in line with professional, state and district policies and standards
- To have regard for all regulatory issues controlling the acquisition, storage and supply of medications.
- This is a backfill position and will offer the post holder the opportunity to contribute to the care of patients of a variety of clinical units.

Selection Criteria

The successful applicant must hold a tertiary qualification in Pharmacy that qualifies for registration as a Pharmacist with the Pharmacy Board of Queensland. Continued employment as a pharmacist is conditional on this registration being maintained.

Location Information

Nambour General Hospital is a major regional teaching hospital serving a population of approximately 300 000 residents and holiday makers and is located on the Sunshine Coast, an area well known for its relaxed lifestyle and abundance of natural beauty and attractions.

The Sunshine Coast is located on the east coast, 100 kilometres north of Brisbane and encompasses Caloundra City, Maroochy Shire and Noosa Shire. The Sunshine Coast has a very well established infrastructure offering many choices in relation to accommodation, education and community facilities. It is one of Australia's most popular holiday locations and is also an area of rapid growth. There are many factors contributing to the region's popularity including some of the best beaches in Australia, the natural beauty of rainforests, rivers, the hinterland and the generally relaxed lifestyle it offers as a place to live. The climate is one of the area's best attributes being mild in winter and pleasantly warm in summer.

Information for pharmacists outside Queensland or Australia

Pharmacists registered in another Australian state or territory or in New Zealand are eligible for registration to practise in Queensland under mutual recognition. Pharmacists registered in the UK, Northern Ireland and the Republic of Ireland may be eligible for registration as a pharmacist in Queensland, subject to reciprocal agreement requirements, satisfactory completion of four weeks supervised training and a satisfactory assessment interview. Contact the Pharmacists Board of Queensland to enquire about your eligibility (details below).

Pharmacists registered in countries other than Australia, UK, Northern Ireland, the Republic of Ireland and New Zealand should contact APEC (details below) about obtaining registration in Australia.

Pharmacists Board of Queensland

The Pharmacists Board of Queensland is the registering body for pharmacists in Queensland.
